

REPRESENTATIVES OF DAIL EIREANN DISCUSSING TREATY

ENTIRE DAY GIVEN UP TO ADDRESSES

Speakers are Frequently Interrupted—Michael Collins Makes Suggestion in the Interest of Harmony—Says to Let Treaty Go Thru and Opponents Can Keep Up Fight

DUBLIN, Jan. 3.—The Dail Eireann reassembled today to take what it is hoped will be final action on the Irish treaty. At the close of the session the impression prevailed that ratification was certain, but that the majority would be small.

Four speakers occupied the entire morning but ten were heard in the afternoon and there is some hope of the debate ending Thursday or Friday.

Frequent attempts are being made to hasten the decision either by limiting the length of the speeches or by a closure motion, but thus far the leaders on both sides have not been able to reach any agreement on the matter.

Speeches were more frequently interrupted today than on any previous day. Michael Collins in particular persisted in interjections of a challenging nature.

EXCESS PROFITS TAX CONDEMNED BY AURORA MAN

Congressman Copley Says it is Main Cause of H. C. L.

CHICAGO, Jan. 3.—Congressman Ira C. Copley of Aurora, Ill., condemned the excess profits tax as the chief cause of the high cost of living, in addressing the legislative forum of the Federated Women's Clubs of Illinois here today.

This tax destroyed the initiative of young men, riveted monopoly on business and caused an epidemic of extravagance, he said.

Harry Olson, chief justice of the municipal court, declared that Chicago with almost half of the state's population and doing two thirds of the business transacted by the supreme court, has but one judge on the body instead of four as it should be.

Miss Catherine Waugh McCullough, a woman lawyer of Chicago also argued for more representation for the metropolis.

A. W. Sheldon, Crystal Lake, Ill., chairman of the state commission on education declared that Illinois while standing among the first in wealth, agriculture, mines, population and manufacturing stands twenty fourth in education.

Many changes in laws pertaining to education in the state need making, he said.

A three days' meeting of the Federated Women's Clubs opened today.

HOGUE IS TAKEN TO SCOTT COUNTY

Sheriff Weatherford went to Winchester yesterday to take Morris Hogue, who was arrested in Murrayville at the wish of the Scott County authorities. Hogue is charged with firing a shot thru the window of the home of Harold Fearnheyough, living a few miles from Winchester. Hogue denies the charge and says he has been in recent weeks spending his time in Cass county in corn shucking work.

DEARBORN BANK DEAL DID NOT CAUSE FLURRY

Over \$19,000,000 Was Moved Thru Streets of Chicago

CHICAGO, Jan. 3.—The Fort Dearborn National Bank and the Fort Dearborn Trust & Savings company were absorbed today by the Continental & Commercial National Bank and the Continental & Commercial Trust & Savings Bank with scarcely a flurry in financial circles to indicate the merger, involving \$60,000,000.

The merger announced yesterday after the clearing house association had determined that the Fort Dearborn banks were in difficulties thru over extension of credits by Edward Tilden & Co., chief stock holders, was said to have averted the most serious difficulty which had threatened Chicago's financial district in 16 years.

More than \$19,000,000 in cash assets of the Fort Dearborn Banks were transferred thru the streets in covered vans today while wondering crowds looked on. All records, as well as fixtures, were also moved and 600 employees of the two Fort Dearborn banks were working at the Continental & Commercial Banks, whose total deposits now approximate over \$410,000,000.

With the announcement that the Continental & Commercial banks would meet all obligations and insure all deposits in the Fort Dearborn banks, a few depositors today made their way to the institutions that had taken over their funds to reassure themselves regarding the merger, but there were no unusual withdrawals.

Robert Crowe, state's attorney, today conferred with George M. Reynolds, chairman of the board of directors of the Continental & Commercial National Bank and William A. Tilden, president of the Fort Dearborn Banks. After the conference, Mr. Crowe said he was not disposed to comment on his confidential interview.

No Secrecy In Deal

"There is no secrecy and no mystery about the merging of the banks," Mr. Reynolds said. "There is no question of any shady transactions and the worst that can be said is that the business government in some instances was not good. The whole trouble is that there were too many industrial loans—loans which would have been good if the war time profits had continued. But the last fifteen months have been bad months for some industries and their loans became a heavy burden to the Fort Dearborn people. There is no question that the bank would not have opened this morning except for the merger."

"There is nothing the matter with the Fort Dearborn Bank," John Fletcher, vice-president of the absorbed institution said. "Our difficulties came thru the difficulties of Edward Tilden & Co., the largest holders of stock in the Fort Dearborn Bank. They owed money and were not able to pay all of it on demand."

Andrew Russell, state auditor who attended the conferences leading up to the merger, said that there was nothing for his office to investigate and that the merger was "open and above board."

AGED RESIDENT OF COUNTY DIES

Mrs. Ananda Carpenter Dies at Home of Daughter Near Prentice—No Funeral Arrangements Made.

Mrs. Amanda Parrott Carpenter died at the home of her daughter, Mrs. J. T. Grady, near Prentice, at 5:30 o'clock Tuesday afternoon.

Deceased was born near Prentice and at the time of death was 74 years, 10 months and 13 days old.

Forty eight years ago she was united in marriage to Herbert Carpenter, who preceded her in death 37 years ago. The following children survive: Mrs. John Walters, of Tripplet, Mo.; Farnley Carpenter, of Sebastian, Fla.; C. R. Carpenter, of Ashland; Mrs. J. T. Grady, of Prentice. She also leaves three brothers, E. S. Parrott, Jacksonville; Jeff Parrott, and C. W. Parrott, of Tripplet, Mo.

No arrangements have yet been made for the burial.

FRENCH ACCEPT U. S. PROPOSAL ON USE OF SUBS

Believed Italy and Japan Will Also Approve It

(By The Associated Press) WASHINGTON, Jan. 3.—The American proposal to prohibit use of submarines against merchant vessels, now the predominant issue of the arms negotiations, has been accepted in principle by France, but her delegates have reserved final approval, pending a discussion of the precise language of the declaration.

British acceptance previously has been given and also the Italians nor the Japanese had received final instructions to night, there were indications that neither Rome nor Tokyo would interpose serious objection if the proposal received France's full approval.

The exact nature of the French reservation was not revealed, but the impression was gathered in some quarters, that it might concern such a definition of the terms of the declaration as would make it clear just what condition would be expected from merchant men in view of their immunity from submarine attack.

Should that be raised, an interesting and many-sided discussion might result, for in several quarters there has been apparent a tendency toward the opinion that the term "merchant ships" should be strictly defined with express stipulations as to whether merchantmen are to be permitted to arm and whether it is to be permissible to disguise warships as vessels of commerce.

French Agree "In Principle"

The French delegation, however, has emphasized that it not only agrees that the new prohibition on submarine warfare, become effective when all nations have agreed to it, but also to the Balfour amendment which would make the prohibition immediately effective as between the five great powers. At the same time the French have accepted the additional Root declaration under which any submarine command violating the rules of international law would be liable to trial for an act of piracy.

In regard to this also, acceptance still are awaited from the other foreign governments. It is possible the delegates' instructions will be sufficiently complete however, to permit a meeting of the naval committee of the whole tomorrow.

The French acceptance was communicated to Secretary Hughes by Ambassador Jusserand late today while the formal proceedings of the conference were passing thru another period of outward inactivity, but while developments on other important issues were stirring behind the scenes.

The Chinese, moving to break the deadlock with the Japanese over Shantung, took steps toward more direct employment of the proffered "good offices" of Secretary Hughes and Arthur J. Balfour, who were approached personally by the Chinese representatives. Some quarters expect definite results within a few days.

British Side With America

Following the example of the Americans, the British indicated they will not object to the Japanese proposal to clarify further the scope of the new four-power Pacific treaty so that it will not apply to the principal islands of the Japanese empire. The naval experts' sub-committee spent all day clearing away the remaining loose ends of the naval agreement and the tariff sub-committee is understood at a session late in the day to have reached a virtual decision regarding the readjustment of China's tariff schedule.

Before the meeting of the tariff body, its chairman, Senator Underwood, of the American delegation, conferred with Albert Sarraut, head of the French group. They are said to have discussed the particular interest of France in the new Chinese fiscal arrangement arising out of conditions along the border of French Indo-China. The entire subject of the open door is understood to have been reviewed by the two delegates with the result that the work of the sub-committee was facilitated materially.

WIFE OF FORMER RESIDENT DIES

News of the death of Mrs. Walter E. Wilson, which took place at her home in Crawley, Colorado, January 2, has been received by Jacksonville friends. Mrs. Wilson had been in poor health for several months and her death was not unexpected. The deceased was the wife of W. E. Wilson, the son of William T. Wilson, who is well known here, having formerly resided in this city.

Burial was in Pueblo, Colorado. Dr. and Mrs. Ellsworth Black are moving into their new home in Lookwood Place recently purchased. Dr. and Mrs. Black have had apartments at the Havenhill residence, 706 West State street.

BRIEFS

(By The Associated Press) WASHINGTON, Jan. 3.—Division of the \$11,000,000,000 foreign debt due the United States among the men who served in the American and allied armies on a half and half basis, was proposed in a bill introduced today by Representative Husted, republican of New York, a member of the house appropriations committee.

Kneeskern, wealthy stock owner of Castalia, was arrested last week in connection with the murder of Mr. and Mrs. Charles Van Brocklin, was arraigned for preliminary hearing today. At a late hour this afternoon, examination of witnesses was under way with little prospect of concluding the hearing at today's session.

UTICA, N. Y., Jan. 3.—A reward of \$1,000 advertised in local newspapers for the arrest and conviction of thieves who recently robbed the residence of Ellihu Root on College Hill, Clinton, discloses the fact that the thieves took from the house a choice stock of wines, some of which were of great age and rare vintage. The value of the stock is not known, as Mr. Root and the members of his family are in Washington, but it is said to amount to many thousands of dollars.

ST. LOUIS, Jan. 3.—Ralph H. Johnson of Granite City, Ill., a service automobile driver, today was exonerated by a coroner's jury in connection with the fatal shooting of Frank McGrath, 21 years old, and George Harris, 31, a former convict, when it was testified Johnson fired at the two when they attempted to hold up him and two companions yesterday.

SPRINGFIELD, Ill., Jan. 3.—Ira Tophill, towerman for the Chicago, Indianapolis & Western railroad, who moved here from Decatur a few months ago, fell under a switch engine he was attempting to board this morning, and was instantly killed. His wife, also formerly of Decatur, survives him.

PEORIA, Jan. 3.—Thieves last night forced their entrance into a soft drink parlor operated by Nick Cornelius and made away with a 1,000 pound safe containing several thousand dollars. The burglary, which is considered the boldest of its kind ever perpetrated in the city, took place less than a block from the county jail.

LITCHFIELD, Ill., Jan. 3.—Crowder Allen, 45, shot in a struggle with Roy Edwards in the latter's shop Sunday night, died today as a result of the rifle wound. Edwards, who is 35, was held pending a coroner's inquest.

LOS ANGELES, Jan. 3.—Three bandits armed with sawed-off guns and three collectors for the Owl Drug Co., in its store today, and escaped in an automobile with a sum of money estimated by the company at about \$10,000. The robbery occurred on the busiest street in downtown Los Angeles.

PHILADELPHIA, Jan. 3.—Approximately 400 photo engravers, employed in 14 local shops, failed to report for work today, claiming that they had been locked out. The employers on the other hand declared the men were on strike.

BUDAPEST, Jan. 3.—Activity among the royalist supporters of former Emperor Charles is reported to be increasing. Prince Sixtus of Bourbon de Parma, brother of former Empress Zita is reported to be in Rome, with others, endeavoring to arrange for Charles and Zita to leave Madeira and settle in Italy.

NEW YORK, Jan. 3.—Aliens seeking admission to the United States will in the future enjoy improved conditions while waiting at Ellis Island. Recommendations made by the advisory committee appointed recently by the commissioner general of immigration have been adopted and will be put into effect immediately.

VISITORS HAVE RETURNED HOME

Miss Ruth Irving, who has been visiting over the holidays with her parents, Mr. and Mrs. Frank Irving on Grove street, has returned to Arcadia, Ill., to continue her teaching.

Mr. and Mrs. F. J. Spencer of Idaville, Ind., visited at the Irving home, on their way to California to spend the remainder of the winter.

LEGISLATIVE PROGRAM OF NEW CONGRESS

Session Probably Will Extend Into Late Summer

(By The Associated Press) WASHINGTON, Jan. 3.—Congress will start upon the 1922 legislative program tomorrow, faced with the prospects that it may be kept steadily at work until late in the summer.

In addition to debates over the routine appropriation bills there confronts the senate the probability of one fight or a series over new international agreements resulting from the Washington arms conference. President Harding is understood to be prepared to forward all of them to the senate for consideration, once the arms conference has concluded its work.

For the first time, house and senate will deal with the measures supplying money for all governmental functions in budget form. They are slated to be started thru the house Jan. 5, when the treaty appropriation is taken up. Under the program laid down by Chairman Madden of the house appropriations committee a money bill would be put thru the house each week until all are turned over to the senate.

The senate will begin with three agreements respecting important matters pending on its legislative calendar. The first of these, the resolution declaring Truman H. Newberry, republican, to be the duly elected senator from Michigan is due to be acted on early next week.

Consideration of the Newberry case must begin Saturday under the agreement while on Tuesday debate is limited to one hour for each senator until a vote is reached. The bill authorizing the issuance of mileage books by railroads, interchangeable between lines or systems is set down for consideration starting Jan. 11. A vote may be taken immediately or the question can drag along as unfinished business until Jan. 17, where there must be a vote on proposals to amend the federal reserve act requiring the appointment, at the next vacancy, of a representative of the farmers to the federal reserve board. While the senate is disposing of these three propositions, its finance committee expects to conclude hearings on the permanent tariff bill.

Acting Chairman McCumber announced today that the tariff proposals of the farm bloc of the senate would be heard Thursday.

Representatives of the southern tariff congress and two of the three individuals only will remain to be heard before the formulation of the bill, will be started.

AMERICAN LEGION POST HELD MEETING

The regular monthly meeting of the local American Legion post was held Tuesday evening. In the absence of Commander W. T. Harmon, the commander-elect, Elmer Henderson, presided. There were thirty present, including two new members, Mr. Simmons and Mr. Riverer, and one guest, Mr. Weir of Michigan.

The hospital relief committee reported on what had been done to bring Christmas cheer to the service men now in the vocational training department at the State hospital, and Mr. Ledgerwood, who is in charge of the work at the hospital spoke briefly. It was reported that the mented hospital last Saturday and left a substantial treat for the ex-soldiers there.

After various matters of routine business had been given attention the men enjoyed a brief social time. Refreshments were served during the evening.

SEWER COMMITTEE TO ATTEND CONFERENCE

A meeting of Illinois Sanitary engineers will be held in Decatur, Jan. 24. It is the hope that members of the Jacksonville sewer committee can attend this conference, as it is the expectation that in the coming addresses and resulting discussion that various facts can be secured worth application to the local situation.

J. F. Claus, who is chairman of the sewer committee, has sent invitations to a number of citizens calling their attention to the conference and expressing the hope that they may attend with the members of the committee.

SUPREME COURT GIVES DECISION ON METHODS OF BEECHNUT FIRM

Rules Methods of Competition Are Unfair—Says That it Tends to Create Monopoly—Three Members of the Court Dissent—Describe Methods Employed by Company

(By The Associated Press) WASHINGTON, Jan. 3.—Lawful trade methods were further defined today by the supreme court in a decision holding the trade methods and policies of the Beechnut Packing company in obtaining the cooperation of its distributors and customers to be "unfair methods of competition" within the meaning of the federal trade commission act.

Justice Day delivered the opinion of the court and Justices Holmes, McKenna, McReynolds and Brandeis dissented. The decision reverses the lower courts.

"If the Beechnut System of merchandising is against public policy because of its dangerous tendency to hinder competition or to create monopoly," the court maintained, "it was within the power of the commission to make an order forbidding its continuation."

Three trade method cases previously decided by the supreme court which were brought under the Sherman anti-trust law and not under the federal trade commission act as was the Beechnut case, the court stated today that in prosecutions under the Sherman act, a trader is not guilty of violating its terms who simply refuses to sell to others, and he may withhold his goods from those who will not sell them at the prices which he fixes for their resale.

"He may not * * * go beyond the exercise of this right," it added, "and by contract or combination express or implied, unduly hinder or obstruct the free and natural flow of commerce in the channels of interstate trade."

In the Beechnut case the court stated that "the facts found show that the Beechnut system goes beyond the simple refusal to sell goods to persons who will not sell at stated prices, which is within the legal right of the producer."

The methods and plan of the Beechnut company in its trade policy were described at length by the court, which asserted that the concern refused to sell its products to practically all jobbers, wholesalers and retailers, who do not sell at prices it suggests or who resell to other jobbers, wholesalers and retailers, who have failed to resell at prices suggested by it. Further that it refused to sell to practically all mail order houses engaged in interstate commerce because they frequently sell at cut prices and had refused to sell to practically all jobbers, wholesalers and retailers who sell its products to mail order houses.

The court also said it had refused to sell to practically all so-called price cutters and maintained a large force of specialty salesmen or drummers, who refused to fill their orders thru jobbers and wholesalers who sell at prices less than suggested resale prices or who sell to others who do so.

The majority suggested a form of order which the federal trade commission should have used in forbidding the continuance by the company of its practices.

GARBAGE REMOVAL WILL BE BY CONTRACT PLAN

As announced at the city council session last night by Alderman Elmie, of the public health committee, a new plan of operation for the garbage department is proposed for the year 1922. Within a short time bids are to be asked for the removal of garbage, tin cans, bottles, etc. and ashes when kept free from glass or other rubbish.

It is the plan to have garbage removed once a week from October 1 to March 21, and twice a week from April 1 to September 30. However, such additional work will be done as is necessary to keep the city streets, alleys and yards free from rubbish and garbage. An ordinance will be passed defining garbage under the meaning of the law, and a charge will be made for the haulage of materials not coming under the classification or property owners will be expected to attend to the removal themselves.

WANTS DELEGATION TO ATTEND MEETING

A big delegation from this city to the meeting of Illinois Sanitary Engineers in Decatur, January 24th, is urged by J. F. Claus, chairman of the Jacksonville sewer committee. Fifty invitations have been mailed to citizens who are active in public affairs. Jacksonville is considering the creation of a sanitary district and valuable ideas can be gained at this meeting.

DISCUSSION OF TWO QUESTIONS TO BE ALLOWED

Briand Will Hold Supreme Council to That

(By The Associated Press) PARIS, Jan. 3.—Premier Briand is determined to limit the Agenda of the coming supreme council meeting at Cannes to two questions, reparations and the economic restoration of Central Europe, it was indicated in authoritative quarters today. It is understood he is in favor of subsequently calling an economic conference at which Russia and Germany may be represented.

The French delegation to the council which left for Cannes this afternoon feels that all other subsidiary matters should be shelved, believing that if both of the above questions are settled satisfactorily the conference will be a success. It is known that the French delegation agrees in principle to Germany's making four payments of 125,000,000 gold marks on the fifteenth of January, February, March and April, although Premier Briand has insisted that nothing binding was decided with Prime Minister Lloyd George during the recent conversations in London inasmuch as Belgium and Italy were not represented there. It was semi-officially stated today, however, that he consented to a delay of the 1922 Germany payments, except for 500,000,000 gold marks as well as to other measures intended to relieve Germany such as fixing the price of reparations coal at the lowest limit of French and British current market figures.

Dr. Walter Rathenau the German financial expert was in Paris today, but it is expected that he will leave for Cannes tomorrow. It is said he desires to place information before the conference concerning the possibility of Germany meeting four payments of 125,000,000 gold marks in the first four months of the year. France has no objection to the calling in of Russian and German representatives at the proposed economic conference if their presence is essential to the restoration of central Europe, it was learned by The Associated Press today.

MR. AYERS NOW OFFICE REGULARLY

Walter Ayers began the New Year by resuming active work in the abstract and insurance office of Walter and A. F. Ayers. For several weeks past Mr. Ayers has been spending part of each day at the office, but his recovery from injuries resulting from an automobile accident last August has been so satisfactory that he is once more in normal health and able to spend the customary hours in his office. This is a fact gratifying not only to Mr. Ayers but to numerous friends as well.

WILL CONFER ON FACTORY PROPOSAL

Felix Rothschild, representing the Rothschild Clothing Co., of Chicago, is expected to return to Jacksonville tonight. He will confer with a Chamber of Commerce committee and Albert Renner of the Jacksonville Tailoring Co., relative to the opening of a clothing factory here. The committee has several buildings in view, which with some interior changes would be suited to the work in prospect.

Mayor Crabtree can do a great many things but serving as a dollar a year mayor has its disadvantages and he cannot duplicate the performance of the mayor of Mt. Vernon, N. Y. That official in the eastern city recently reduced his salary from \$5,000 a year to \$4,500.

There is no value in being pessimistic but the feeling of optimism that the business specialists talked about January 1 in relation to the coming year was not emphasized by the big Chicago bank merger.

Everybody should join in hoping for good results from the conference to be held tomorrow with reference to the unpaved stretch of roadway between the hard road pavement and Hardin avenue. The distance to be covered is comparatively short and certainly a way will be found to improve the present condition. It is certainly an unfortunate situation to have a hard road come to a point within a few hundred yards of the city and then have an intervening space where the roadway is rough.

Several organizations are taking this matter to heart and certainly with co-operation on the part of the city and county and the various organizations the needed results will come.

THE EDUCATIONAL COMMISSION.

It is most gratifying to see how quickly the school organizations of the State have rallied to the support of the Educational Commission, Supt. Blair says in the Educational Press. He says further, at the close of its period of work there can be no criticism fairly lodged against any obstructions placed in its way by the school teachers or school officers of the State. It may be necessary to give a caution now and then to the eager, earnest, expectant school people as they look forward to the work and accomplishment of this Commission.

It is impossible to think that any educational commission, however strong it is in its membership, or however aggressive it may be in its work can accomplish everything that everybody thinks ought to be accomplished. This Commission will find, as every other honest investigator has found, that in every school question in controversy the truth does not lie wholly upon either side, that much of what we have obtained and much of what we will obtain is in the nature of a compromise.

The Commission will suffer both from those who unwisely think it can be done and will do everything that ought to be done, as well as from those who do not believe that it will do anything that ought to be done. After a thorough-going study of the existing situation, the Commission will have to decide upon the recommendations which it will make upon the various matters required by the law. It will undoubtedly find variant and sometimes conflicting opinions upon everyone of those points at issue. But in the end it will have done its work well if it shall have made a thorough investigation and upon that basis predicate the recommendations which it makes to the General Assembly.

MR. FORDNEY ANSWERS CRITICS.

Chairman Fordney of the Ways and Means Committee of Congress doesn't believe in turning the other cheek when a free trader takes a slap at him. The Congressman from Michigan, who began life as a lumber-jack, has

this to say regarding the propaganda being circulated to delay, and, if possible to defeat the tariff bill:

"Opposition to the pending tariff measure is readily traced, not to the American producer, but to the man who deals chiefly in American-made products, but to the man who produces abroad and the man whose chief interest is in bringing the product of cheap foreign labor to the American market.

"Those interested in importing enterprises are well organized and spending large sums of money in an effort to make you and me believe that what they seek is for the country's general welfare. The importer is working to delay or defeat tariff legislation, and to accomplish his end he is centering his criticism on the American valuation plan, without which, on account of present chaotic world conditions, it will be most difficult to write a tariff measure at this time that will afford the slightest degree of protection against countries whose protection against countries whose protection is most needed."

FUNERALS

Green

Funeral services for A. B. Green were held from Central Christian church at 1:30 o'clock Tuesday afternoon in charge of the Rev. Myron L. Pontius.

Music was furnished by Miss Cora Graham, Mrs. Mae Hitt, C. L. Mathis and W. V. Gilham, with Willard Wesner at the organ.

There were many beautiful floral offerings and these were cared for by Miss Alice Green, Miss Hazel Green, Mrs. C. M. Reynolds and Mrs. George Robinson.

MISS MAYME DUNN MARRIED IN SEPTEMBER

The news of the marriage of Miss Mayme Elizabeth Dunn, who was for several years employed in J. Herman's store here, to Jack Nelson of Greensburg, Pa. last September, is just getting out. A clipping from Bloomington sent to one of her friends here, tells of the event.

The service was read on Sunday, Sept. 4th, by Rev. Father Doyle, at the rectory of Bishop Gallagher, in Detroit, Mich. Mrs. Nelson is the daughter of Mr. and Mrs. Morris Dunn of Mt. Sterling, Ill. They will live in Grand Rapids, Mich.

WITH THE SICK

Rev. J. P. Hillyer is confined to his bed at the home of his daughter, Mrs. Charles Hopper, on North Diamond street.

SHANNON SET FOR HEARING

A preliminary hearing for Fred Shannon, charged with assault with intent to murder will be held at 1:30 o'clock Thursday afternoon. The warrant was sworn out in the court of Justice Arisman Tuesday morning on request of Mrs. Nannie Blue, mother of Paul Blue, who was wounded in the shooting Sunday night.

The regular mid-week prayer service at the Alexander M. E. church will be held on Thursday night this week instead of this evening.

Bert Hery of Woodson was among those who attended the funeral of A. B. Green in this city Tuesday afternoon.

FANNING FUNERAL HELD AT MANCHESTER

Remains of Mrs. Mary Caroline Fanning Laid to Rest Monday—Obituary Facts.

Manchester, Jan. 2.—Funeral services for the late Mrs. Mary Caroline Fanning were held at 10 o'clock Monday morning, Jan. 2, at the Manchester Baptist church, in charge of Rev. Fred Peek. Music was furnished by a quartet including Mrs. Alice Wallis, Mrs. J. H. Langdon, E. L. Maine and M. W. Story.

The flowers were in charge of Mrs. Elsie Heaton, Mrs. Martha Sanders, Mrs. Ira Whitlock, Mrs. Edith Hudson.

The pall bearers were Charles Thady, Edward Walker, T. M. Whitlock, William Long, Henry Hudson and Matt Cotter. Burial was made in the Gunn cemetery southeast of Murrayville.

Obituary. Mary Caroline Fanning, daughter of James and Elizabeth Spencer was born in Jacksonville, Ill., Sept. 3, 1836.

After about three years she moved with her parents to what is known as Greasy Prairie, where she grew to womanhood receiving her education in the country schools. She professed a hope in Christ at Richwoods while Frank Nichols was holding a meeting in the year 1860.

Deceased was married to Albert Goacher of Rockbridge, Ill. March 20th, 1851. They immediately went to housekeeping on the farm. Four children came to bless their home. Sarah, wife of James Westrope, deceased, J. H. Goacher of Jacksonville, A. J. Goacher passed away in infancy at the age of 7 months. Clara Nettie Barber, Manchester, Ill. She lived continually with her daughter, Nettie. Mr. Goacher passed away Jan. 28, 1881. She had been in failing health for a number of years and a constant care for the past three years.

Kind hands and loving hearts did all they could and she passed quietly away at 3:50 p. m. Saturday, Dec. 31st, 1921 at the home of the one who had loved her and so faithfully cared for her. She leaves to mourn her departure, one son, J. H. Goacher of Jacksonville, Ill., and one daughter, Clara Nettie, wife of David Barber of Manchester, Ill., one brother, J. L. Spencer of Roodhouse, Ill., and one sister, Mrs. J. I. Story of Roodhouse, Ill. Two brothers, P. W. and J. H. Spencer, one sister, Cecelia, wife of Samuel Goacher, preceded her in death. She also leaves three grandchildren, A. T. and Linnie Goacher of Jacksonville and Mrs. Bertha A. Walker, Manchester, Ill. and seven great grandchildren. Besides a host of other relatives and friends.

Mrs. Fanning remained a faithful member of Richwoods Baptist church until 1884 when she moved her membership to Union Grove Baptist church after 20 years. She moved her membership to the Baptist church of Manchester where she was always faithful loving kind and true to the great task that was set before her until failing health rendered it impossible to attend. Regardless of her suffering she was always kind and loving.

Make Preparations for Kansas City Livestock Show

Actual work has begun on the new home of the American Royal Live Stock show located on the property of the Kansas City Stock Yards company, 12th, 13th and 14th and Liberty streets just north of the New Twenty-Third street viaduct. The buildings will be completed and in readiness for the 1922 American Royal Live Stock show, the dates of which are November 11th to 18th inclusive.

The new structures include an Arena building with a seating capacity of 5500, an arena 100x200 feet, and other buildings with space for 1000 cattle, 250 pigs, 250 pens for sheep, and 500 stalls for horses. All buildings will be steam heated, electric lighted, and modern in every way. The structure will cost one-half million dollars at the lowest estimate and is so located that street cars go direct to the Arena building on Twenty-third street viaduct level, and automobiles either on the viaduct or ground level.

These buildings will provide the American Royal with the greatest show facilities of any livestock exposition in the United States.

Liberal premiums and full classifications will be offered for beef breeding and fat cattle, hogs and sheep; draft horses and saddle horses and mules. Car lots of fat and feeder cattle and hogs. In fact, the American Royal Live Stock Show directors are going to put on the biggest live stock and horse show ever seen in America, in 1922. Preliminary premium lists will be ready about August 1st.

OLD JACKSONVILLE

GODFREY TENDICK

(BY ENSLEY MOORE)

Member Illinois State Historical Society

Godfrey Tendick.

Jacksonville has not had as large or as controlling an element of citizens of German birth as many other American cities.

There have, however, been quite a number of immigrants from "Old Germany" here, and among them was

Godfrey Tendick

Our older people will readily recall Mr. Tendick as first having an establishment on South Main street on the west side of the thoracic, in the first building, at the corner of the Square.

Mr. Tendick was born in a small place near Dusseldorf, Germany, close to the French border, in the year 1830, being a son of John and Jennie (Finnans) Tendick. This Mr. Tendick was a farmer from his youth up. John Tendick came to this country, bringing his eight children, in 1853 but he and his wife only lived a few weeks after arriving here. It was

Quite a Colony.

That came at that time and from the same neighborhood. There were fifty or sixty persons in the company, and they were six weeks in crossing the Atlantic, which seemed a long time to them. But they had set out for "North America" as they termed it, and they got here in due time.

After, the oldest brother of Godfrey Tendick had come to this country about 1851, and went back to Germany, in 1853, and so interested his friends that he soon conducted the large party alluded to above to this region.

There are many of the same name where these people came from, among them being Peter and Jane (Schutzen) Tendick. They were the parents of Miss Sibilla Tendick, who, in 1854, became the wife of Godfrey Tendick. She was also a sister of William Tendick, now residing on South Diamond street, who is the only man left today out of the colony who came in 1853. He is well known here, and is 84 years of age. He has a sister, Catherine, Mrs. Peter Kastrop, now of Peoria, aged 82 years.

Godfrey and Sibilla

were the parents of five children, Jannis, who married George Porten; Peter; John S., of Canton, this state, where he married Louetta Thompson; Edward, now here, and Clara K., who married A. J. Hoover. Mrs. Porten and the last two now residing at the northwest corner of College avenue and Fayette street.

Peter and Jane Tendick, parents of Mrs. Godfrey, were the parents of William, Mrs. Kastrop and John, who enlisted at 16 years in the 33rd Ill. Regt. and served thru the war, and became a resident of Texas. It was a singular circumstance that Peter and his wife also died very close together, in 1854.

Godfrey Tendick under the system of early schooling in his Fatherland enjoyed some education not accorded to many of the foreigners who have come to this land.

But he was soon, engaged after the thrifty habit of his countrymen, in learning the spool and weaving business. At the age of seventeen he took up the making of boots and shoes, which was his business for thirty-three years, latterly at the South Main street location. He attracted customers and had seven or eight men in his

WORKING HERE

Will Interview Dairymen and Individual Cow Owners in this Section on Their Problems

Mr. Earl L. Moore Louis arrived here a few days ago and will be in Jacksonville for some time, making a survey of the dairymen and individual cow owners in this vicinity.

He has made a special study of dairy problems, such as the care of the dairy cow, feeding for maximum milk production, a selection of cows for high production and other fundamental dairy problems.

While in Jacksonville he expects to call on every dairymen and cow owner and discuss these problems.

The Cain mills has made it possible for the people interested in the dairy cow to get the benefit of Mr. Moore's expert advice and experience.

White Hall, Jan. 3.—Rural telephone service has been suspended since the sleet storm of Dec. 23, and very little has been accomplished toward restoring rural service owing to the men being engaged in restoring the long distance lines. Rural lines suffered the greatest and this condition prevailed all over this section of the state.

There is little activity in agricultural pursuits at the present time, and farmers can assist in rebuilding the prostrated telephone lines.

Practically all the corn crop is in, and the condition of winter wheat is excellent. This is doubtful economy, considering the weekly crop report for this locality, farmers breaking up the roads in hauling corn at a time when a freeze follows and puts the

employ, and his goods were dependable.

Business methods were changing and Mr. Tendick had the foresight to see that factories were going to drive individual employers out of business, so, in 1878, he went extensively into the manufacture of bricks; for two years the firm being Caspold, Reid and Tendick for three years, and thereafter Mr. Tendick conducted the business alone. His yards were over west of Diamond street and south of Morton Avenue. Incidentally he bought a large tract of cheap land, south of town, and cleared it of wood for use in burning brick. He was successful in building up a large custom, and built several stores and houses in this city, beside supervising farming on the land he had cleared.

A Churchman

Mr. Tendick had a wider vision than merely seeking money, and was a leading member of the German Methodist church. That organization had a church building on the south side of West State street half way between West and Church streets, for many years. But the membership declined and the house was sold. Mr. and Mrs. Tendick could not think of giving up their loved religious home, so they took the matter in hand and secured the means of buying a lot and building a little church on the east side of South Church street, one door north of College avenue, which was their last place of worship. The building has since been turned into a residence.

Mr. Tendick was a trustee of his church for years.

Politically

Mr. Tendick was a Republican and strong supporter of the government of his adopted country.

RUSSIANS LEARN LESSONS OF SELF HELP

MOSCOW—(By the A. P.)—Every day life in Russia is a very practical lesson in self help.

When the central heating apparatus fails, and heating plants which have not been repaired in seven years often fail, one buys a sheet-iron stove and pipe in the market, thrusts a pipe out thru his window, searches for high-priced wood in the market, cuts it and builds a fire.

If the electric light bulbs burn out, or the fuses blow, or the wires wear out, one goes to the market for the necessary supplies, gets out one's penknife and becomes one's own electrician.

It is a great tragedy when shoes or clothing wear out or require repairing. Tailors have no cloth and shoemakers have no leather. These can be found only in the street markets and it requires many hours to place a pair of shoes and sufficient leather for half-boles in the hands of a cobbler who will sew them on.

The lack of serviceable new cloth in the markets has put worn clothing at a premium. It is greedily bought by men and women who have it turned and renovated. Tailors are so busy with this sort of work that it frequently requires several weeks to have repairs made.

Plumbers and tinner and carpenters and painters utterly lack supplies. Small contractors can frequently supply workmen to make building repairs of minor character, but they are seldom able to provide the required materials. This necessitates hours of search thru the street stalls scattered along miles of boulevards. The capital, organization and confidence which are necessary to effect the assembling of large stocks are still lacking.

At the end of July 100 grains were sown separately. At the end of September the grains had developed an average of 12 shoots each. These were cut and transplanted and by the end of October each cutting furnished an average of eight shoots, which produced 65 ears each, and each ear gave an average of 50 grains.

A simple multiplication sum shows that each of the original grains planted reproduced itself 12 by 8 by 65 by 50, making a total of 322,000 grains.

Mrs. James Webster and daughter, Miss Therese Webster of Concord are visiting in the city the guests of friends.

MINISTERS HELD INTERESTING SESSION

Met Tuesday Morning at Congregational Church—Rev. Mr. Langton Made Address on Oriental Rugs.

Members of the Jacksonville Ministerial Association had an unusually happy time at the meeting held Tuesday morning at the Pilgrim Memorial Congregational church. The wives of the ministers attended the luncheon, which followed the regular, and listened to a splendid address by Rev. J. P. Langton, with the theme, "The Experiences of an Oriental Rug Buyer."

The address was supplemented by the display of a wonderful group of rugs which Rev. Mr. and Mrs. Langton own. Dr. and Mrs. P. S. Hayden were guests of the association.

The ministers and their wives enjoyed not only the address and the luncheon but also the opportunity for inspecting the addition to the church and learning something further about the work in progress there in the various departments.

At the business session Everett Clamptit was given an opportunity to address the association and made a statement relative to his candidacy for Republican nomination for sheriff. Mr. Clamptit for a number of months has been engaged in evangelistic work. A permanent committee was appointed to pass upon matters of a political kind which come to the attention of the association. This committee includes Dr. W. E. Spooner, Rev. A. P. Howells and Rev. C. D. Robertson.

Let 'Lorain' Cook the Meals Every Day

For something particularly appetizing to eat, you need no longer hunt a restaurant. You can have the most tasteful foods at your own home table—not just occasionally, but every day.

Every woman has fine recipes, and most women mix ingredients as accurately as the best of chefs. But when it comes to cooking—that's where the professional chef has won out.

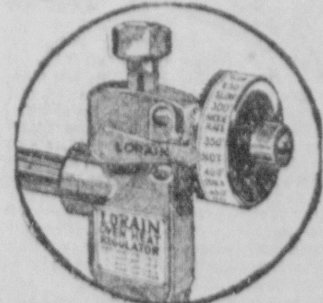

But not so any more—the

LORAIN OVEN HEAT REGULATOR

takes the guess and the gamble out of home cooking. It is absolutely accurate and reliable; cooks without mistakes. It needs no watching. Every bit of food is properly cooked. It gives exact results every time. Every meal becomes a delight to your appetite. The world's best chef cannot beat "Lorain" home cooking.

When she has a "Lorain," that good woman who is so eager to please you with her cooking, can cook an entire meal—steak or roast, fish or chicken, vegetables, dessert—all at one time and with the same sure success that she can cook the simplest single dish. And she need not once look at the oven until serving time.

One easy turn of the "Lorain" wheel places at your command your choice of 44 measured and controlled oven temperatures, covering the entire range of baking heat.

No More Oven Watching and Guessing

The "Lorain" ends her days of guessing, worry and oven slavery. It eases her muscles and nerves and proves to her that the joy of living is not idle talk.

Wonderful, simple, accurate, sure—that's the "Lorain." We can't begin to tell the whole story here. But we have a book, "AN EASIER DAY'S WORK," written especially for you. Simply call for your copy.

SENDS OFFICERS TO GET LINE ON ARMY PERSONNEL

Secretary Weeks Starts Men On 7,000 Mile Jaunt

(By The Associated Press) WASHINGTON, Jan. 3.—Secretary Weeks has directed Assistant Secretary Wainwright and Major General Harbord, deputy chief of staff, to make a 7,000 mile journey thru some of the scattered army commands in the country for the purpose of establishing a closer relationship and understanding between those in the field service, the department's executive chiefs and military officers in Washington.

Another reason for the trip was said today to be the secretary's desire for first hand information concerning the regular army personnel, the national guard forces and members of the organized reserves.

Need has been felt by some officials to develop the three forces of the peace time establishments into a single efficient machine.

One hindrance to this the department found was the lack of understanding of the policy and administration of the national defense act which existed between the three bodies. The secretary also is interested in the personal welfare of troops in the regular army. Whatever corrections may be needed in the existing order of things are expected to be discovered and quickly made as a result of the tour of Mr. Wainwright and General Harbord. In this connection, it was said, the system of court martial and administration of military justice, would be given particular attention by the officials.

General Harbord and Mr. Wainwright will inquire carefully into the possibilities of civilian military training. It is planned to open instruction camps next summer on a larger scale than has been attempted since the war, to accommodate about 200,000 civilians.

Mr. Wainwright and General Harbord will begin their journey Saturday, reach Camp Knox, Ky., Sunday, leave the next day for Atlanta and Columbus, Ga., and from there go to New Orleans, arriving Friday morning and leaving that night for Houston, Texas.

Galveston, Brownsville, Ringgold and Laredo, Texas, will be visited between the fifteenth and eighteenth and be followed by visits to McAllen, San Fordyce, Harlingen, San Antonio, Fort Clarke, Del Rio, El Paso and Fort Worth, Texas, after which the itinerary will lead them to Fort Sill, Okla., Kansas City, Mo., Fort Leavenworth and Fort Riley, Kans., where the officials will remain about four days.

They will go to Chicago next and return here about Feb. 6.

GERMANS WANT FINER FOOTGEAR Berlin. — (By The A. P.)—The "new German" wants a lighter, finer footgear than the heavy shoes the soldiers wore, according to a report of the treasurer to the Reichstag, asserting his inability to dispose of large stocks of soldiers' shoes which the government has on hand.

The government's offer to sell the shoes brought the reply from dealers that there was no market for them. An effort will be made to sell the shoes to a foreign purchaser.

NUTRATED IRON

Over 4,000,000 People Annually Are Using Nuxated Iron. When your blood is strong for iron, no ordinary tonic or stimulant can put you right. Starving blood must have from the same as a starving person must have food. But be sure the iron you take is organic iron and not metallic iron which people usually take. Metallic iron is true just as it comes from the action of strong acid on small pieces of iron and is therefore entirely different from organic iron. Organic iron is like the iron in your blood and like the iron in spinach, lentils, and apples. It may be had from your druggist under the name of Nuxated Iron. Beware of substitutes.

INQUEST IS HELD IN SALLEE DEATH

Grand Jury Investigation Is Recommended—Several Witnesses Heard By Jury.

The jury empanelled by Coroner Rose to inquire into the death of Mrs. Edna Sallee met at the Gillham Funeral Home Tuesday evening.

After hearing the evidence the jury returned a verdict that death resulted from septic poisoning and recommended that further investigation be made by the grand jury.

The members of the jury were: John S. Easley, foreman; Charles L. Starks, clerk; James Matthews, Addison Berry, Charles Fry and Marion Coen.

The jury heard the testimony of Dr. W. P. Duncan who was called after Mrs. Sallee had been ill for two weeks. Dr. Duncan had the woman removed to Passavant hospital where he gave treatment. Dr. Duncan gave his opinion that death resulted from septic poisoning.

Mrs. Lena Nelson, John Sallee, Nancy Ramey and Rhoda Russell were also heard. All of the witnesses testified that Dr. Wharton had been called and attended Mrs. Sallee before Dr. Duncan was called.

ROBERT C. BOEHM PASSED AWAY HERE

Prominent White Hall Resident Dies at Passavant Hospital—Funeral at White Hall Thursday.

Robert C. Boehm for many years a prominent resident of White Hall passed away at Passavant hospital at 10:15 o'clock Tuesday night after an illness of several weeks.

Decedent was nearly 72 years of age and had spent practically all his life in White Hall. During these years Mr. Boehm was for eight years mayor of White Hall and also served as postmaster for fifteen years.

Mr. Boehm was affiliated with the Republican party and always took an active interest in political affairs. He was also interested in his home city and was always found working for anything that tended to its progress or betterment.

He is survived by his widow and three children: E. C. Boehm, of Peoria; Harry W. Boehm, of Effingham and Mrs. Lillian Richards, of Chicago.

The remains will be taken to White Hall today. Funeral services will be held Thursday afternoon.

NEW TIME CARD ON C. AND A. NEXT SUNDAY A new time card is to go into effect on the Alton next Sunday. There are various rumors current as to changes in prospect but definite facts have not been received at the local office. It is indicated that there is likely to be little change so far as Jacksonville is concerned other than the abolishment of the St. Louis connection, for No. 15 which now leaves for the south at 10:50 a. m.

This train, it is rumored, will run on the present schedule from Bloomington to Kansas City but there will be no connecting service at Roodhouse for St. Louis. However, even this change has not been definitely decided upon.

William Nolan returned to his home in Tinewell yesterday after several days' visit with friends in Jacksonville.

ADJOURNMENT OF CONVENTION TO JANUARY 31 TAKEN

Cook County Yields to Downstate in the Matter

(By The Associated Press) SPRINGFIELD, Ill., Jan. 3.—Cook county yielded to the downstate today and agreed to an adjournment of the constitutional convention until Jan. 31. Special elections Jan. 23 to fill six vacancies were given as the reasons for the new recess.

Sixty-two delegates, nineteen from Cook county, were here for the session today.

By adoption of a report by the rules committee, the convention agreed to get down to work after the present recess and to survive or perish by its deeds.

The legislative article upon which the success of the convention hinges, will be taken up first, according to the agreement.

Several Chicago delegates declared tonight that the convention was virtually "blown up" by today's action.

The recess was taken after down-state delegates smoothed over their own differences and put the proposition up to the Cook county delegation.

"When it developed that it was desirable to take up the legislative article as the first matter of business it was deemed best and proper to defer action until the six new delegates have an opportunity of participating in the deliberations," said Delegate George A. Barr of Joliet, in offering the adjournment motion.

"It is not the desire of any delegate who suggested this action that this convention should drag any longer."

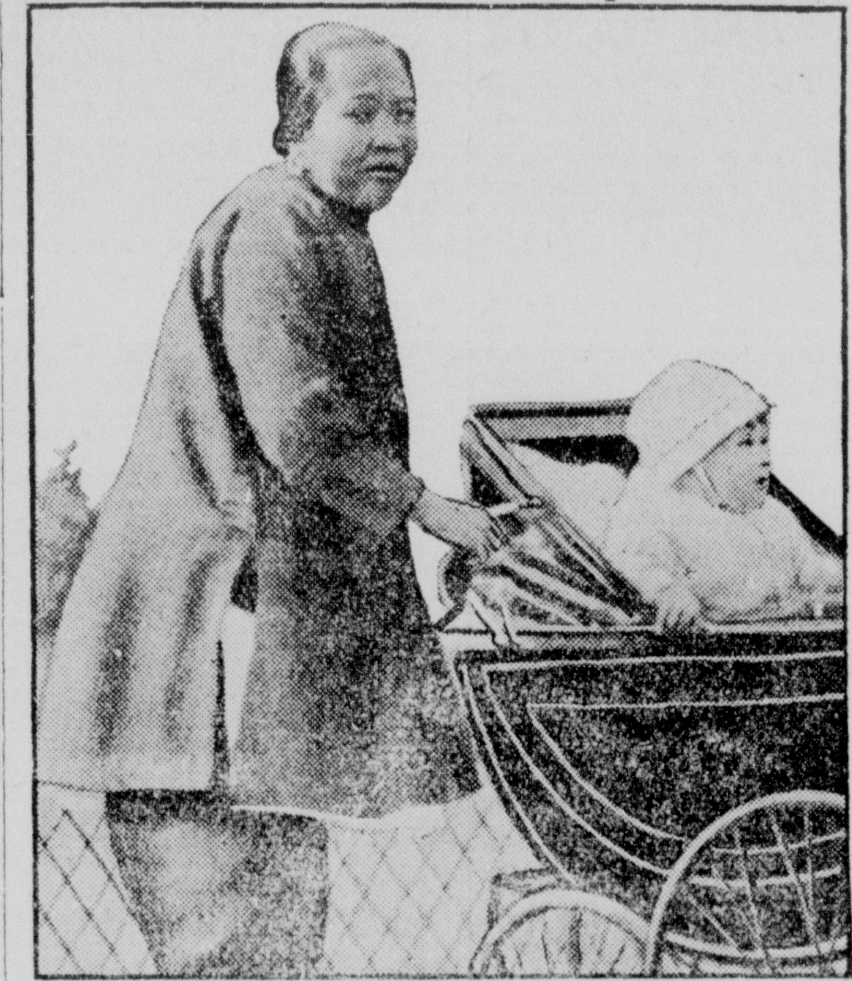

"At first this adjournment did not meet with the approval of the Cook county delegates," said Delegate Charles Hamill of Chicago. "It was only after considerable urging that we have been brought to this view. We do not want to antagonize our friends from downstate."

Delegate Hamill declared that there had been no infiduation among the Cook county delegates to "steam roller" the convention in any manner.

After asking Governor Small to call the special elections it would be inconsistent to proceed until the new delegates are seated, down-staters contended.

In the meantime, it was agreed the question of restricting Cook county's power in the legislature is as far as ever from solution.

STRESS PRACTICAL IN NEWSPAPER WORK

DETROIT—(By the A. P.)—A school of journalism that will stress the practical rather than the theoretical side of newspaper work, will be established at the University of Detroit, next September, it is announced by Rev. John P. McNichols, president of the institution.

Several of the most prominent newspaper men in Detroit are co-operating with University officials, Father McNichols said, and will be members of the staff of instructors.

The course, to consist of four years of study in English, logic, history, economics, finance and

other subjects required in the training of newspaper folk, will be supplemented by actual experience on daily and weekly newspapers published here.

"We hope to make the daily newspaper offices in Detroit laboratories where our students will receive practical training," Father McNichols said. "We believe experience is necessary in the making of real newspaper men and women and hope that the course will fit the students for work immediately upon being graduated."

WILL REPRODUCE OLD BOOKS BY PHOTOGRAPHY

CHICAGO—By The A. P.—Plans for the reproduction of the rarest of old books by photography and their distribution thru a national depository, preferably the Library of Congress, were discussed here tonight before the Bibliographical Society of America by Frederic Ives Carpenter of the Newberry Library of Chicago.

The trouble is that so far as the libraries are concerned, the rare books are getting extremely rare, Mr. Carpenter indicated.

"Thru the rapid absorption of such rare books as come on the market by the many large endowments as well as by the older public collections and by the very wealthy private collectors, the supply of rare books formerly available for purchase by libraries has been either greatly reduced or entirely absorbed," he said. On the other side there is an increased demand by scholars and readers.

Dr. Charles H. Long, of Pontiac died at 6 o'clock at local hospital from cancer. The remains were sent to Pontiac last night. Sterry Long, a son of the deceased accompanied them back.

Mrs. Sterry Long was formerly Miss Helen Ryan of Pontiac and is well known here having been graduated from Illinois Woman's college.

Dr. Long was a prominent physician of Pontiac.

James Walker for many years a resident of this county died at a local hospital at 5 o'clock Tuesday afternoon. He was a veteran of the Civil war. The remains were removed to the Gillham Funeral Home and prepared for burial. The time of the funeral and a more extended obituary will be given in a later issue.

Robert Hembrough and son of Franklin came to Jacksonville Tuesday to attend to business matters.

Mrs. R. Y. Gibson entertained a number of young people at their home New Year's eve in honor of her sister, Miss Bessie Rea, who is a student at State Normal school. Games, contests and music were enjoyed. Refreshments were served. The decorations were in keeping with the Christmas season.

New Year's Dinner — The members of Mt. Zion and Liberty churches united in an annual New Year's dinner Monday, which Mt. Zion has observed for several years. Members and friends numbering over eighty enjoyed a most sumptuous dinner after which a social time was enjoyed. Rev. Mr. Wetzel made a brief talk in which he put before the audience the question of what action they wished to take against the discontinuing of the agency at Markham station on the Wabash.

A vigorous protest was made and resolutions were passed to ask the Illinois Commerce Commission not to grant the request of the railroad company to discontinue the agency at Markham and place a caretaker instead, as we feel the railroad is doing the people of this community an injustice in doing so. This station is located in the center of a highly productive farming community with a distance of 5 miles either east or west and no open station for miles north or south. This resolution was ordered printed in daily Jacksonville papers and a copy sent to the Illinois Commerce Commission.

RUSSIA WANTS NO WIRELESS DISCUSSION — RIGA—By the A. P.—Russia does not wish to hold a wireless discussion with Great Britain of its debts to the Allied nations. This is the purport of a note which George Chitcherlin, Bolshevik Minister has sent. Leonid Krassin, the Russian Minister of Trade and Commerce, according to the Rosta agency, This was in reply to a request by Great Britain for more information concerning the debts which Russia would recognize.

Chitcherlin said this subject was too complicated and important for discussion by wireless and added that the matter should be brought up at a world conference which he had proposed.

Chitcherlin added that this conference would be successful only if mutual trust existed and that the first indication of this would be "the stoppage of systematic exclusion of Russia from international conferences touching her interests."

FUNERAL OF SOLDIER HELD AT WINCHESTER

Impressive Services Held Sunday In Memory of Daniel Tankersley, Who Died in France—Baptist Church Had Annual Meeting—Other Winchester News.

Winchester, Jan. 3.—The large auditorium and gallery of the Methodist church was well filled with relatives and friends Sunday afternoon at 2 o'clock for the funeral services, held in memory of Daniel Tankersley, whose remains were brought here from France, where he died in the army service.

The opening song was "Heid By His Hand," and was sung by James Tankersley, Albert Buckley, Harry Dugan, Paul Sterman, Samuel Cohagan, with Mrs. Kinison at the organ. The scripture lesson and opening prayer were by Rev. W. F. Elmore. Then Mrs. S. G. Smith, sang as a solo, "One Sweetly Solemn Thought."

Rev. Carl Corrie read an obituary sketch of the deceased and delivered an impressive funeral discourse. A quartet number, "No Shadows There" was sung by Mrs. Smith, Mrs. Thomas Smithson, George Hieronymous and Roy Phears.

On account of the cold weather a part of the American Legion service was held at the church before the remains were accompanied to the cemetery. The bearers were John, Thurman and Roy Tankersley, Wesley Andell, Harry Boston and Jesse King.

The flowers were in charge of Mrs. Lee Overton, Mrs. Joe Cowhick and the Misses Cecil Hoover, Ethel McClure, Bess Pieper and Dessie Patrick.

Members of St. Mark's Catholic church were quite busy Tuesday getting everything in readiness for their bazar and supper to be held Wednesday evening.

The members of the Baptist church enjoyed New Year's day in a very thoro manner. The Sunday school was held at 9:30 o'clock followed by the preaching service at 10:30. At 12 o'clock a great many of those present for the morning service went to the church dining room where a bountiful baked chicken dinner was served. The menu included a great variety of excellent food articles and was greatly enjoyed by all present.

At 2 o'clock the annual business meeting of the church was held, when all the officers made very creditable reports. It was shown that there have been 53 additions to the church during the past year and an increase of 75 per cent in the Sunday school and also in contributions.

The officers elected for the ensuing year are: Church clerk—Mrs. Sybil Fox. Church treasurer—W. L. Bagshaw.

Trustee—George Peak. Music committee—Mrs. Claude Thomas, Mrs. W. R. Johnson and Miss Louise Frost.

Sunday school officers are as follows: Superintendent—Claude Thomas. Assistant superintendent—John C. Moore.

Secretary and treasurer—Herman Smith. Primary superintendent—Miss Louise Frost.

Librarian—Miss Katherine Bagshaw. At the close of the business session several interesting talks were made by the members. The afternoon session closed. The day's program, which was in many ways a notable one.

Misses Helen Kinison and Louise Dawson have returned to Manchester to resume their duties in the high school there.

Mrs. David Wells and little son of White Hall, accompanied by Mrs. Wells' aunt, Mrs. Elliott, of Parsons, Kans., were guests of Rev. and Mrs. W. R. Johnson Monday and Tuesday.

William Southwell has sold his grocery store to James Overton and the latter is to take early possession. Mr. Southwell is one of the oldest and most prominent citizens of Winchester and has been in business here for the past fifty-three years and nine months going in business with his father, Robert Southwell, in 1867. While he has been in business for so many years, Mr. Southwell has never neglected his church duties and is one of the leaders in various religious movements in the community. Mr. Overton, who has been in business with Mr. Southwell for a number of years, needs no introduction to Winchester people, and all wish him success.

Mrs. Myrtle Kirkman, daughter Bernice and son David were among the guest at the home of Mr. and Mrs. Thomas Kirkman Sunday.

State's Attorney Mehrhoff, Sheriff Fritz Haskell and Deputy Claude Thomas returned to Winchester Tuesday night from Jacksonville with Morris Hogue of Murrayville, who was arrested in connection with a shot fired at Harold Fearneyhough some weeks ago. Hogue is now held in the county jail here under \$1,000 bond awaiting hearing.

Ted Andrews was arrested here Saturday night, charged with larceny. He was given a preliminary hearing Tuesday morning and is now in the county jail under \$500 bonds.

Mrs. Sarah Thomas received a fine box of fruit from her son Frank Thomas, in Los Angeles, Calif. Naturally the gift is very much appreciated by the recipient.

CARD OF THANKS — We wish to express our thanks to the many friends for their kindness shown during the illness and death of our dear mother; also for the beautiful flowers and the cars used.

Mrs. Nettie Barber. J. H. Goacher.

NOTICE — The History Class will meet with Mrs. W. B. Young this afternoon at 2:30.

AUTOMOTIVE DEALERS PLAN ANOTHER SHOW

Semi-Annual Event to Be Staged Last Week in March—Merchants Will Co-operate—Organization Held Meeting Tuesday Night.

At a special meeting of the Jacksonville Automotive Dealers, held Monday night at the Dunlap hotel, the week beginning March 27th was set as the time for holding the third semi-annual automobile show and merchants and manufacturers exposition. A committee composed of J. F. Claus, L. E. Deppe and G. T. Lukeman was appointed to investigate locations, decorations and other matters pertinent to the show, and to report to the association at its next meeting.

It is the intention of the association to handle the matter locally, working with a similar committee which the merchants and manufacturers interested will be asked to appoint. Where to hold the show is something of a problem for experience has shown that there will be a greater demand for space than has been the case previously.

Have Good Name.

Jacksonville shows have been worth while and are now so widely and favorably known that the crowds in daily attendance become greater each season. The putting on of one of these shows requires much time and thought and it is doubtful if there is a person of sufficient experience in Jacksonville who can arrange to give up practically three weeks, the time necessary to properly handle such an event from start to finish. So it may be advisable to hire a competent man, one who understands decorating, lighting, space selling and proper handling of crowds, to do this work under the committee's supervision.

L. H. C. Men Here.

There were present as guests of the association Monday night, R. C. Richey and C. W. Dunphy, of Springfield, Ill., both representatives of the International Harvester company, truck department. Mr. Richey in his remarks spoke of harmony and co-operation and complimented the dealers of Jacksonville on apparently having reached that desired stage. He gave as his definition of co-operation "conducting one's self in such a manner that others can work with you."

The keynote of Mr. Dunphy's remarks was the inspiration to be gained by any one privileged to meet with such organizations, to hear their discussions and profit thereby. He stated that it was thru such organizations, united solidly for one purpose, that all really great objects were reached. W. H. Cocking, who holds a dealer's contract for the distribution of the White trucks, was received as a member of the association.

The meeting Tuesday night was preceded by the usual six o'clock dinner, served in the large dining room of the Dunlap hotel.

UNUSUAL WEATHER RECORD FOR PAST YEAR

George H. Hall, Volunteer Observer, Gives Some Interesting Statistics.

The year 1921 will go down in the history of the Alexander station of the Weather Bureau as the warmest, and the year of least snowfall. The mean temperature was 57.0°, which is several degrees above the average of the last 26 years. For the first time in the history of the Alexander station, every month of the year except August was above normal. August being one-tenth of a degree below normal. July was the warmest month, the highest being 102°, date 13th. January was the coldest month, 5° being the coldest day of the year, and was on the morning of the 17th.

The precipitation for the year was 39.95 inches, and has been exceeded three times, to-wit, in 1898, in 1907, and 1915. The driest year on record was 1901, when only 21.64 inches was recorded. The wettest month of 1921 was September, which had 6.85 inches. The driest was February, 0.54 inch. Eight months above normal rainfall and four below normal.

Total snowfall (unmelted) 9.9 inches. Number of days with 01. or more precipitation, 117. Number of clear days, 137. Number part cloudy, 123. Number cloudy, 105.

The most destructive storm of the year occurred Dec. 22-23 and covered everything with ice, fully three-fourths of an inch thick, breaking trees, telegraph and telephone wires and poles.

PHOTOGRAPHED RECORDS

Filed in KING ESTATE
Unusual documents were filed yesterday in the probate court by Bellatti, Bellatti & Moriarty, relating to the estate of J. O. King.

The title to the property at 421 West College avenue, was in the name of Mrs. J. E. Dwight of New York City, now deceased, and recently Mr. Dwight purchased the interests of other heirs.

In order to clear the title, photographed copies of some New York records and also of the will have been placed on file here. The photographed pages are more voluminous than any document of the kind filed here in recent years.

GARBAGE WORK TO BE DONE BY CONTRACT

CITY COUNCIL HAS DECIDED ON NEW PLAN

Two Firemen Appointed to Permit Use of Platoon System—Appropriation Ordinance Given First Reading—City Officers Make Reports.

The city council had a long session Tuesday night. The appropriation ordinance was given a first reading and an ordinance passed amending the city code to provide for the platoon system in the fire department. Two new men were named to serve in the department and Chief Hunt was given authority to attend the state convention which will convene in Rockford this month. Another ordinance presented makes a slight amendment to the city vehicle tax rates.

Announcement was made by Alderman Ehrie of the desire of the public health department to let the garbage disposal work out by contract this year, and the suggestion was concurred in by the council.

The council was called to order by Mayor Crabtree and the roll call by City Clerk Scott showed the following present: Aldermen Cain, Williamson, Chapin, Ehrie, Longergan, Flynn and McGinnis.

Routine business was disposed of and monthly reports of officers received. Another report filed was that for the year made by Chief of Police Frank Kiloran.

Two Firemen Appointed

Alderman McGinnis of the fire committee suggested the names of James C. Wood and Dewey Brockhouse as members of the department in order to make possible the operation under the platoon system. Mayor Crabtree then made these appointments with the approval of the council.

Alderman Longergan asked authority to make some minor changes in one room of the fire department to permit the use of a gas stove by the men. Under the platoon system rules the men are not permitted to leave the building for their meals.

At the suggestion of Alderman Cain some minor changes will be made in the room north of the office of chief of police. Jobless men who spend the night at the city prison will be housed in this room in the past the plan has been to let them sleep on top of the cages in the cell room, but just now there are more tourists than can be accommodated in this way.

An ordinance was read making one change in the license fees for vehicles. This change was made at the suggestion of City Attorney Bellatti, in order to comply with the state law.

Alderman Ehrie said it was the wish of the health committee to handle the garbage work this year on a contract basis, and recommended that bids be asked for this work. The council approved this action and the health committee authority to proceed.

It is possible that the contract may be let as a whole or by yards. As a part of the work it is probable that an ordinance will be passed clearly defining garbage and making more definite the exact work which the department will perform.

City Officers Reports
The reports of officers were approved.

J. E. Scott as city clerk reported collections of \$404.04. Collections from Diamond Grove cemetery \$72.50, and from Jacksonville cemetery \$204.

H. H. Summers, sexton of Diamond Grove cemetery, reported 14 graves made and J. E. Pires, sexton of Jacksonville cemetery, reported 8 graves made.

W. H. Cobb, superintendent of the water department, reported collections \$4,744.94 and from other sources \$143.74, making a total for the month of \$4,888.64. The month's report of Chief of Police Kiloran showed a total of 28 arrests with fines collected of \$131.20. The arrests were for the following causes: vagrancy, 3; drunkenness, 7; assault and battery, 6; shooting firearms, 1; disorderly conduct, 1; burglary and larceny, 3; forgery, 1; bootlegging, 3; suspicion, 1.

FIFTY SEVEN BOYS

AT HI-Y MEETING

The Hi-Y club met at Centenary church Tuesday evening with fifty-seven boys present. A delicious supper was served by some of the members of the Ladies' Aid, under the direction of the president, Mrs. E. L. Kinney.

Nine boys took the first part of their membership, admitting them to the club at this meeting. They were Ernest Olds, Kenneth Rawlings, Kenneth Danskin, Vernon Miskell, Charles Williams, George Baxter, Theodore Wetzel, Malcolm Hulett and Russel Rawlings.

Lauran Gutekunst, Truman Smith, Ernest Hoagland and Gay Chandler were visitors for the first time. Robert Furry, last year's president and Howard Nichol were also guests of the club and made short talks.

After the business meeting, Secretary F. S. Findley reviewed the Bible study lessons that they have gone over. The Hi-Y club is growing with every meeting.

"THE FOUR HORSEMEN OF THE APOCALYPSE"

Vincente Blasco Ibanez may have known what he was writing about when he describes the great war scenes and the love story connected with it, in his popular book entitled, "The Four Horsemen of the Apocalypse," but Rev. A. P. Howells, in his interpretation of the "Four Horsemen," The Russian, Tchernoff, was a good guesser, but a poor theologian. This wonderful scene from John's vision on the Isle of Patmos portraying four galloping steeds, white, red, black and pale could not have been fulfilled in the year 1914. To prove his belief in this opinion, Rev. Howells will preach on Sunday morning on the subject, "The Four Horsemen of the Apocalypse."

ROODHOUSE PLAYERS PRESENTED SWEATERS

Members of High School Football Team Given Handsome New Sweaters—Other Roodhouse News

Roodhouse, Jan. 3.—Members of the local high school football team were given handsome new red sweaters Friday afternoon.

The ceremony was a very impressive one, a number of speeches being made. The boys marched upon the rostrum wearing the new garments and were given a round of hearty applause.

Superintendent Hutches made the presentation speech and then Captain Elmer Tigon presented Coach Hill in behalf of the players a gold charm in the shape of a football.

Mr. Hill was taken quite by surprise but managed to respond assuring the boys of his heartfelt appreciation of their gift.

The football squad met recently and elected Raymond Watkins as captain for next year and following Coach Hill's response, Mr. Hutches called upon the 1922 captain-elect for a speech. Following this talk there was a general exchange of gifts.

Members of the senior class presented their class adviser, Miss Chapman, with a fountain pen.

The juniors gave Miss Duncan a purse.

The sophomores gave Miss Rawlins an ivory piece.

The teachers presented Mr. Hutches with an ornamental wall piece designed to represent the shield of a thirty-second degree Mason.

News Notes

John Roodhouse, a student at Illinois college in Jacksonville, is spending the vacation period at his home here.

Miss Myrtle Thompson of Baylor university, Waco, Tex., visited her parents, Mr. and Mrs. W. A. Thompson, this week. She left Wednesday for Chicago to attend the national convention of teachers of speech on Dec. 28-30. She will also visit her brothers, W. Earl and Dr. Orval Thompson.

Haley Barrow, Koersman Hillier and Kenneth Hunt are at home from the state university for the holidays.

Rev. A. T. Wood and family, who were holiday visitors at the home of William Gerbing, have returned to their home in Auburn.

Willbur Ribelin and Miss Alma Shuman are home from Illinois college for a few days' visit with relatives.

Justice Floyd Thompson left Wednesday for Canton where he had an engagement to deliver an address at the dedication of the new hall erected by the Elks of that city. Mrs. Thompson and infant will join him there and they will then go to their home in Rock Island.

Mr. and Mrs. James Sink entertained a number of friends at dinner Saturday. The company numbered twenty and the occasion was a very pleasant one.

FOR COLD WEATHER

I have just what you want—AN AIR COOLED AUTOMOBILE! THE FRANKLIN. Why bother with the water cooled car when you can get an AIR cooled car and eliminate all the care that accompany the water cooled kind? Such as the freezing up of engine blocks, radiators, etc., besides the trouble of having to buy Anti-Freeze compound that will evaporate and let your engine and radiator freeze up. A demonstration is yours for the asking.

The One-Ton Truck

The Ford One-Ton Truck first made its appeal to the farmer and the merchant because of the merits of Ford Cars. And it made its wonderful reputation and great sales record because it lived up to every claim made for it.

The reliable Ford Motor, the special Ford steel chassis, the aluminum bronze worm-drive, all combine to produce a truck of unusual power, capacity and strength—a truck that lasts in service; a truck that solves the haulage problem at a very small operating and upkeep expense. Hence the demand for the Ford One-Ton Truck is constantly on the increase.

For the good of your business, whether it be farming, merchandising or manufacturing, you should come in and look over the Ford One-Ton Truck—NOW!

IMPORTANT

We are prepared to furnish the Ford Truck equipped either with Standard or Special Gearing. The Standard Gearing gives the truck a maximum of power. The Special Gearing increases the speed of the truck from five to seven miles an hour, converting it into a Fast Delivery Car.

TRAVELS 10,500 MILES TO VISIT LOCAL FACTORY

Rev. J. F. Peat, Missionary in China, Comes Here to See Eli Bridge Co. Officials Regarding Lighting Plant.

As a result of considerable correspondence, Rev. J. F. Peat, who last Sunday addressed the congregations of the Grace and the Centenary Methodist churches of this city, visited W. E. Sullivan in the office of the Eli Bridge company, on Monday of this week.

Rev. Peat is a member of the West China Mission of the Methodist Episcopal church and is located in Chungking, West China. Chungking is 1,500 miles inland from Shanghai and is approximately 10,500 miles from Jacksonville.

Almost two years ago, Rev. Peat wrote to the Eli Bridge company, seeking information on portable light plants. His idea was to secure a small portable plant that would furnish electricity for lighting the missionary tent and for operating the stereopticon lantern, which is used to illustrate the lectures to the natives.

Owing to the fact that this plant would be operated far inland, it must be unusually simple in construction; light enough to be carried about by the coolies; and so constructed that the power, necessary for generating the electricity, could be supplied by the coolies.

Although a portable light plant of this type has never been built, Rev. Peat, through correspondence, induced Mr. Sullivan to undertake the designing of this plant. This Mr. Sullivan agreed to do and wrote Mr. Peat at once, making a number of suggestions which immediately met with Rev. Peat's approval. One of these suggestions was that the generator be driven in much the same manner as the old style horse-driven thrashing machines—the coolies taking the place of the horses. Rev. Peat's present visit was made to discuss the details on the construction of this unique plant which will be started in the very near future.

This device will no doubt prove a great boon to the 24,000 missionaries, from the United States and Canada, who are now like Rev. Peat, at work in the wilds of the world; and will at the same time carry the name of Jacksonville, Illinois, to the very ends of the earth.

YANKS and LEGIONAIRES

Forceful Facts Concerning the Interests of Former Soldiers, Sailors and Marines.

The strength of the Soviet army in Russia is 5,000,000 men. A Warrent officer in the Army Air Service is paid \$110 a month with allowance.

The present maintenance cost of an American soldier is estimated at \$2,680 a year.

France was the first nation to use chevrons as a mark of rank and service for soldiers.

The Soldiers' Bonus Bill, it is said, will be passed by Congress within the next ninety days.

Red for valor, white for purity, and blue for justice are the color symbols of the Stars and Stripes.

The present number of officers in the American army is three times as great as before the World War.

United States naval and marine airmen in the last fiscal year covered 2,511,000 miles in airplane flights.

Ninety per cent of the 100,000 disabled veterans of the United States army now in training, receive \$100 a month each.

Desertions from the regular United States army during the fiscal year ended last June 30, totaled 14,563 or 4.57 per cent.

The American soldier on the Rhine, in Germany, earns \$33 a month, which thru the exchange equals from 7,500 to 9,000 marks.

More than \$11,000,000 has been spent by the U. S. Government for the expense of returning bodies of the soldier dead to this country.

Approximately 145 men are held in Federal penitentiaries in this country on convictions of violating the Espionage act and other war laws.

A memorial tablet was recently dedicated in Portland, Me., for Sergeant Harold T. Adams, the first soldier from that State killed in the World war.

During the past month, 357 officers of the Mexican national army were placed on the retired list. Forty-five generals were among the number relieved from duty.

It is proposed in England to reduce the size of the Life Guard regiments which are maintained at Buckingham Palace as personal protectors of the King and Queen.

Sergeant Alkin C. York, the modest Tennessee mountaineer and hero of the World War, has repeatedly refused fabulous offers to lecture, to go on the stage, and into the movies.

Citizens of the State of Illinois will vote in November, 1922, on a proposal to pay ex-service men of that State a bonus of \$15 for each month of service, with a maximum of \$300.

Receipts from the entertainments given by posts of the American Legion or its auxiliaries are not taxable under the new revenue law passed by the extra session of the 69th Congress.

During the recent visit of Marshall Foch of the French army to this country, he was presented six swords, worth more than \$10,000. Several are made of gold and studded with diamonds.

The 77th Division has the distinction of advancing the greatest distance against the enemy of any American Division during the World War. This division made an advance of 711 kilometers or 44 miles.

Training for the American forces during the winter months in Germany will consist of drills, marches, tactical walks and rides, physical exercises, map problems, lectures, conferences and schools for officers, non-commissioned officers and selected enlisted men.

The youngest person to receive the French Croix de Guerre for bravery in the World War is Helen Jacquemin, 10 years of age. The honor was bestowed upon her because she refused while under intense grilling by the Germans to divulge military information she possessed.

A bill was recently introduced in Washington providing for the free transportation to Europe by the Government, of parents and wives of American soldiers who died overseas. The purpose is for them to visit the graves of their dead whose bodies lie in military cemeteries in Europe.

Sergeant Henry B. Hallowell, aged 32, of Philadelphia, Pa., is the oldest active "Devil Dog" of the United States marines. He wears 15 "hash marks" on the blue sleeves of his service jacket, each one standing for a four years' enlistment. Hallowell is a veteran of the civil war, having enlisted in the corps in 1860.

To bring about the punishment of the more than 100,000 men who evaded the draft during the World War, Major General Harris Adjutant General of the United States army, urgently recommends that Congress appropriate \$250,000 to pay rewards of \$50 for each draft deserter delivered to the military authorities.

Because Lieutenant Heruin and Millant of the French army were executed in error, the Government has allotted a civil reparations to Madame Heruin, the widow, of 100,000 francs, and to the father of Lieutenant Millant, 50,000 francs. The officers were believed to have deserted their posts when the fate of France was bound up in Verdun just before victory, but it was later proved that a mistake had been made and that neither man had abandoned his post.

Mrs. Everett Reynolds of Franklin was in the city yesterday on a shopping tour.

VIRGINIA RESIDENT INJURED BY FALL

Miss Nelle Irwin Fractures Ankle By Fall—Miss Christine Sligh Is Rele of Clark Walbaum—Other Virginia News

Virginia, Jan. 3.—Miss Nelle Irwin had the misfortune to fall while on her way home from church Sunday, breaking the bones in her left ankle.

Rev. Max Wiles and Carl Erickson went to Miss Irwin's assistance and carried her to the residence of Charles Wilson, where Dr. A. R. Lyles was called. Examination showed the injury to be of such a serious nature that Miss Irwin was later removed to a Springfield hospital.

Her sister, Miss Katherine Irwin, is at her bedside.

The fall was due to a defective sidewalk. Miss Irwin is a teacher in the fifth grade in this city and her injuries will necessitate her absence from the school room for some weeks.

James Clifford and Thomas Robertson, of this city, who are patients at the Springfield hospital, are improving in a satisfactory manner.

Mrs. Geraldine Daniels and little son, of Fairview, were guests of friends here Sunday.

Marriage Sunday
The marriage of Miss Christine Sligh, daughter of Mr. and Mrs. James R. Sligh, to Mr. Clark Walbaum of Ashland, occurred at 4 o'clock Sunday afternoon in the sun parlors of the Leland hotel in Springfield. Only the immediate relatives of the young people and a few intimate friends were present.

Mrs. Walbaum has always resided in this city, where she is a general favorite among the younger people of the community. Her charming personality, and sunny disposition have endeared her to all and many are the good wishes which are extended at this time.

We will have the drawing next Saturday evening at 8 o'clock to see who gets the Hassler Shock Absorbers, Decker Steering Wheel, Tire, 5 gallons of oil, or set of plugs.

The "Mother of Medicine"
Isis, the Queen and afterwards the Goddess, was called the "Mother of Medicine." In ancient Egypt centuries before Christ, women were skilled in medicine. They knew the great value of medicinal plants.

Hippocrates, the "Father of Medicine," many centuries later, knew less of the merit of vegetable drugs than did the women of ancient times.

Lydia E. Pinkham, nearly fifty years ago, gave to women her vegetable Compound, now known everywhere as Lydia E. Pinkham's Vegetable Compound. This is a woman's medicine for woman's ailments, prepared from medicinal plants.—Adv.

Chicago Man Declares Tanlac is "Best Medicine Ever Sold in a Drug Store."

"I have heard that Tanlac has helped thousands of people right here in Chicago and after what it has done in my wife's case I believe every word of it," said Robert R. Olen, 4730 Dickens Ave., a valued employee of the Service Station Equipment Co.

"Tanlac has brought happiness to my home by restoring my wife's health and if the price was fifty dollars a bottle I would buy it just the same. For over a year she was in such a badly run-down condition that even her housework was a burden to her. She could scarcely sleep on account of nervousness and had such headaches and dizzy spells she could hardly stand up. Her appetite was so poor she scarcely ate anything and she suffered torture from sourness and gas after the little she did force down.

"I was very much discouraged over her condition and willing to stake my last dollar for a medicine that would help her. I heard so much about Tanlac that I bought four bottles and after taking them she showed remarkable improvement. I believe she is one of the happiest and most active women now in Chicago. All signs of indigestion have disappeared, headache and nervousness gone, and she says her housework is like play. I believe Tanlac is the best medicine ever put in a bottle and I have spent enough money for various medicines to know something about them."

Tanlac is sold in Jacksonville by Coover Drug Store and Shreve Drug Store and by leading drug stores everywhere.—Adv.

FLURRIED CONDITIONS IN WHEAT MARKET

CHICAGO, Jan. 3.—Flurried
conditions in the wheat market
developed today as a result of un-
usual margin-calling and liquidation
following the absorption on the
Port Dearborn National Bank
here. Prices closed very nervous
\$1.07 1/2 to \$1.08 and July 97 1/2 to
98.

Corn lost 1 1/2 @ 1 1/2 to 1 1/2 and
oats 3c to 12c. In provisions the
outcome varied from unchanged
figures to 12c lower. At first, it
appeared as if the difficulties of
the Port Dearborn Bank would
cause no special disturbance in
the wheat market, but before the
session was half over a change
had taken place and near the
end of the day the pit had become
semi-paralyzed.

The fact was then evident that
the trade had failed to recover en-
tirely from shock of the Wagner
failure last week and that the
jolt from the Port Dearborn af-
fair was most severe than had
been pointed to by earlier indica-
tions. The storm which ensued
began with heavy liquidating
sales on the part of eastern inter-
est and was greatly increased in
violence by excited margin-calling
among commission houses. The
margin calling was based largely
on disturbing rumors affecting
various Board of Trade concerns
that later in every case cleared
their entire obligations as usual.
Final prices were at a slight rally
from the bottom level of the day.
On the breaks July delivery won
under \$1 and made a new record
for the season.

Corn and oats received better
support than was the case with
wheat. The weakness of the
grain however, was reflected to
a moderate extent by foodstuffs.
Provisions averaged a little lower
with cereals and hogs.

OBITUARY

Mame Bubb was born in Pike county, Illinois, June 7, 1861, and died at her home near Franklin, Ill., Dec. 22, 1921, aged 60 years 6 months and 15 days.

September 24, 1879, she was united in marriage with Henry Slack, and their union was blessed with four children. Frank, the only son, died 17 years ago, and the daughters surviving with the husband are Mrs. Edgar Eador of Springfield, Mrs. Elmer James of Chicago, Mrs. Slack also leaves eight grandchildren, two sisters, Mrs. John Calhoun of Perry, Ill., and Mrs. Ida Colur of Sacramento, Calif., and two brothers, John Bubb of Chicago, and Frank Bubb of Jacksonville. One brother Edward preceded her to the grave.

She had long been a faithful member of Franklin M. E. church and the Unity Bible Class of its Sunday school. During the forty odd years of her married life she was ever a faithful helpmeet and companion and a tender and loving mother. It was characteristic of her that in the later years of her life she made a place in her home for two of her granddaughters who have been affectionate objects of her attentions. She met each dawning day with a smile, bore misfortune with little complaint, and with patient courage sought ways to solve her problems, ever confident that beyond the cloud lay blue skies about a shining sun. This buoyant disposition gathered her many friends along life's pathway who sorrow at her passing, but find comfort in the thought that a brave and cheerful spirit has laid down earth's burdens to enter upon its rightful heritage in another and a brighter land.

Funeral services were conducted from the M. E. church Monday, Dec. 26 at 11 o'clock, in charge of the pastor, Rev. H. A. Sherman, and were largely attended. Rev. Sherman spoke feelingly of the worth of the deceased as a wife, mother and Christian citizen.

With Miss Ruth McLamar at the organ, a quartet composed of Mrs. W. E. Douglass, Misses Planche Harney, Pauline Olinger and Ruth Tulpin, sang "Safe in the Arms of Jesus" and "It is Well" and Misses Harney and Olinger sang "Whispering Hope." The many beautiful flowers were cared for by Mrs. P. Woods, Mrs. A. R. Seymour, Mrs. Anna Ranson and Mrs. Katie Seymour.

Interment was made in the village cemetery. The bearers were M. B. Keplinger, G. J. Dowell, C. W. Olinger, W. E. Douglass, G. E. Brown and J. P. Woods.

Miss Minnie Rigg and William H. Bailey United in Marriage in Carrollton Saturday—Baptist Church Calls Pastor—Other White Hall News

White Hall, Jan. 2.—The marriage of William Henry Bailey and Miss Minnie Rigg took place at Carrollton Saturday, and the facts in the case are now ready for public print.

The bride is a daughter of Mr. and Mrs. S. J. Rigg of White Hall. She has been employed in the telephone service at the local office, resigning last Friday evening. Her husband is connected with the Todd restaurant at Roodhouse. Both are quite well known and an interesting couple. They will reside at Roodhouse.

Telephone Employees Party

Numerous watch parties were held Saturday night and the old year was accorded a fond farewell by various devices and in devotional manners. One of the notable functions was in honor of the former operators in the office of the Bell telephone, which was recently merged with the Illinois exchange. The former manager, Roy Dickerson, was here from Centralia with his family. Mrs. Dickerson was former bookkeeper and their little son, Donald, claims to have been an operator. The affair was given by Miss Celura Day in her home on West Franklin street, and the girls present included Misses Hallie Smith, Wretha Bradshaw, Clara Brodmark, Emily Smith, Henrietta Kirkback, and Mrs. William J. Mundell, formerly Miss Bess Young, the two latter residing at Carrollton. Miss Day is an accomplished entertainer, being a finished reciter, and her abilities were brought into full use on this occasion in making a happy company of former companions in the service.

Church Extends Call

By unanimous vote, the congregation of the First Baptist church today extended a call to Rev. L. E. Ellison, of Villa Grove, Ill., to become pastor to succeed Rev. O. A. Carman, who has gone to Jonesboro, Ill. The action in favor of Reverend Ellison has been a foregone conclusion for two weeks.

In an elaborate New Year greeting circular covering its various activities and aims, the Wendell class of the First Baptist Sunday school made this reference to Reverend Ellison:

"Rev. Mr. Ellison is a young minister who has made a most enviable record that attracted the attention of the local church authorities, with the result that he was called to visit our people. His call to the pulpit followed. At Villa Grove he doubled the Sunday school attendance as well as the church attendance and built up a men's Bible class from four

to forty members. It is hoped that he will be able to redeem the First Baptist church from its apparent apathy, for with the large Baptist following in this community the First Baptist church should be the leading church institution in both attendance and equipment. Broad gauge methods in keeping with the times that fars foissilism, will accomplish this result."

A week of prayer is being observed, beginning tonight, and on Wednesday night all the churches will unite in a service in the Methodist church, when an illustrated lecture on "Near East Relief" will be delivered by Rev. J. O. Kirkpatrick. Reverend Kirkpatrick was in Chicago last week and completed arrangements for the use of the slides.

Take Yeast Vitamon Tablets To Clear The Skin
Build Firm "Stay-There" Flesh—Increase Energy.
If you want to quickly clean your skin and complexion, put some firm healthy flesh on your bones, increase your nerve force and power and look and feel 100 percent better, simply try taking two of Mastin's tiny yeast VITAMON Tablets with each meal, and watch the results. Mastin's VITAMON Tablets contain highly concentrated yeast-vitamins as well as the two other still more important vitamins (Fat soluble A and Water soluble C) and are now being used by thousands. They positively will not upset the stomach or cause gas, but, on the contrary, are a great aid to digestion, to overcome constipation and as a general conditioner of the whole system. Pimple, boils and skin eruptions seem to vanish like magic, the complexion becomes fresh and new, the cheeks glow with ruddy color, the flesh becomes firm, no more bright. Mastin's VITAMON Tablets are positively guaranteed to give you new health, energy and ambition and improve your appearance. Do not accept imitations or substitutes. You can get Mastin's VITAMON Tablets from any good druggist.

Of what use are fine features with an ugly, mottled skin, flabby flesh, sunken cheeks, pouches under the eyes or a careworn, sickly-looking face? Let Vitamon correct these conditions.
